

# College Vision

*Young people feel connected to our school and take pride in being a student here. They develop into inquisitive, literate and numerate life-long learners with a strong sense of community.*

*We deliver a rich curriculum that motivates students to be engaged in their academic learning. Student data is used to inform and support both academic and wellbeing needs.*

*We provide a nurturing learning environment that inspires high academic expectations and prioritises health and wellbeing to ensure each student feels safe, valued and respected as an equal member of our school community.*
